Whether it is an elegant mesh backed chair, sturdy 24/7 controller, or just a simple operators chair for your home office, we've got the lot. Working closely with some of the UK's leading manufacturers, we offer you a selection which covers all the bases, but leaves no stone unturned when it comes to finding the best and most reliable.

You can also visit our showroom and try our range of chairs which we manufacture ourselves here in Bury St Edmunds. Offering quality, comfort and value for money, our chairs can be tailored to ensure you have a chair you'll love. Our specialist staff can help you find the perfect chair, making sure the chair is perfectly adjusted for you and offering advice on how best to use it. With a 5 year warranty you'll find no one that will look after you better.

**Multiple  
Fabric Choice**

**5 Year  
Warranty**

**Suffolk Made**

Its not only Chairs we specialise in. We have a large range of top quality furniture available also manufactured in the UK. Anything from a compact modern desk for your home office to a fully furnished office or even restaurant and café furniture. There is no project that we will not tackle and complete to ensure our customers are left over the moon with their new environment. From the very first plans all the way through to removing the packaging after installing your new furniture, we will make fitting your new office out or refurbishing your current office simple and enjoyable making sure we leave with you smiling.

## Ickworth High Back - Operator Chair

Our High Back Operator Chair is available with a choice of two mechanisms; static or tilt. The tilt mechanism allows the user to adjust the seat angle. Ideally the user should be tilted slightly forward, relieving pressure on the lumbar region and improving posture. The moulded seat and back foam give excellent lumbar support and long term comfort.

Supplied with a 5 year warranty and a large choice of fabrics, leathers and vinyls.

Code	Description	RRP	Net £
ICKS	Ickworth Static Operator Chair	£278.00	£139.50
