Electronic Height Adjustable Desking

The ability to sit and stand during the working day has huge health benefits to the user, helping to burn calories, boost energy levels, improve posture and promote mental wellbeing. Overall helping you live longer.

Our full desking solutions maximise the sit/stand health benefit by adjusting your work space to the perfect height. With twin motor and triple extension our frames have a smoother, more durable operation and longer extension range. Desk tops available to order in a choice of finishes as shown below. 1600mm and 1200mm Oak and White tops usually available from stock.
